/stamm2911

Front-end developer passionate about programming with background in mechatronics engineering, and a Full Stack Web Development bootcamp certificate. I am creative, self-taught, a problem solver and a quick thinker. The idea of combining art and logic have made me choose front-end development. I love learning new technologies, new perspectives, and breaking paradigms.

TECHNICAL SKILLS

Languages: JavaScript ES6+, CSS3, HTML5, SQL, NoSQL
Applications: GitHub, MongoDB, MySQL
Tools: Express, React, Node, Handlebars, Query, Bootstrap, Materialize
